

BROMLEY MOBILITY FORUM - NEEDS YOU!

Nothing about us, without us!

Are you passionate about making all transport more accessible?

(Buses, Trains, Trams, Blue badges, freedom passes, taxi card, dial-a-ride etc)

We work with Bromley Local Authority on re-development, to make public spaces accessible.

(buildings, shops, services, accessible toilets, bus stops).

The Bromley Mobility Forum is user led - by people with lived experience in their impairment group.

Have your say, to Bromley more accessible and inclusive to disabled people.
